“ *I met Herman 44 years ago when I started my first job at Genesco. He has been a friend ever since. We had a good time cutting shoes. He never failed to stop and talk to me all these years. He is truly one of a kind and will be deeply missed. He's in the best place possible now and I look forward to seeing him again. May God bless Bettie and the family during this time of grieving and satisfaction in knowing they will all be together again some day.*
