“ *Prayers to the Stewart family, Miss Hope was the type of Christian lady so many of us would love to strive to be like. Everyone loved and adored this woman, a great loss for us, but God just welcomed home an amazing woman. May we never forget her beautiful soul and smile. I was blessed to call her my friend.*

“ Hope was a wonderful cousin, a wonderful friend a terrific mother and a loving daughter and wife. She always smiled and laughed.... I don't believe I ever seen a time when she was sad or cried I was even mad at anyone because of her faith she always smiled and knew that God was there on her side forever. I know her family is going to miss her so very much but I also know that there is a place in heaven that is full of rejoicing as much as we are saddened in this world... Hope was raised with the love of Jesus she is always been a person full of faith and full of love and knowledge. I have no doubt that we will meet again one glorious day... Prayers to her children, grandchildren, her precious mother, Dear Aunt Betty, and her husband Doug who will miss her so terribly much. Thank you heavenly Father for allowing us the time we had with Hope, she was definitely one of a kind.
