“ I did not know Horace personally, but I wanted to express my deepest sympathy for your family. At times like this, I have personally found Jesus Christ's words at John 5:28,29 to be truly comforting. There he promised that "the hour is coming when all those in the memorial tombs will hear his voice and come out...to a resurrection of life." I look forward to the time when I can see my loved ones again so much. Feel free to contact me at the attached email address and again I'm so sorry for your loss.
