“ Horace was my step grandfather actually the only grandfather I knew. I can remember as a young girl playing on his patio and him telling me crazy stories. He raised my sister Tammy Moss Rhineheart from a baby until she passed and I thank him for being able to provide her with a better life then my mom could. He raised my mother into the woman she became and I thank him. My mom loved him very much she adventually feel sick with health issues and He never turned his back on her. I love you Horace rest in peace.
