“ I remember when I was too little to stay at home by myself when both of my parents had to work, so I would stay at my nannies and paw paws, Carolyn and James Stoltz, Hubert lived right beside Nannie , and I remember sitting on the porch and almost every time I was out there I would see Hubert ride Down the road on the red four wheeler And he would always smile and wave at me, I also remember Nannie walking me up the road across to mamaws house which was Hubert’s and Nannies mom, and we would go visit her and later go by Glenda and Hubert’s house, I wished I would have payed more attention to those days. Rest In Peace Hubert Leon Tanner.

“ Going to miss your joking ways. You had me rolling when you told mom a couple of Saturdays ago to just git and hush and then looked at me and laughed and winked. I love you so much! R.I.P
