GS

“ We were truly blessed to know Hugh and his family. Camping memories and just sitting with coffee and talking was the best time ever. How could we ever forget his wonderful sense of humor. How could we ever forget how much he loved his children and grandkids.

Camping will never be the same. But I know he will be there in spirit. Watching the squirrels, hearing the birds and people watching. What else could you ask for.

We laughed so hard when Hugh tried to convince me that Barbara's Imaginary Friends was really at the campgrounds. And, Daniel's dumpster diving will never be forgotten.

We love Mr. Huges and he was a best friend.

George called him "Pops" at work. They borrowed each other tool's and was always there to help each-other any time they needed it.
