“ From the moment, Chris and I met Ida, we instantly loved her. It was almost impossible not to. From her loving smile, warmest hugs, sense of humor, consistent inquiry and caring for others she always stood out. There’s no way you could walk into a room and not immediately go to her and hug her. I personally witnessed the love that she shared for her family, and even those outside of her immediate family. We are lucky to have met her and blessed to have known such a wonderful person, and I know that heaven gained another angel. Prayers and comfort for her friends and family during this time.
