“ *Granny Harrington will be sadly missed by so many. She was always kind to me and treated me like one of her own grandkids. She always had a meal cooked when we would stop by after school. That's where I learned to love asparagus with cheese, I called it the Granny Harrington special because she was the only one that would make it. Mitzi, Glenda, Brenda, Floyd and Turkey, all of y'all are in my thoughts during this very difficult time!*
