“ We at Prince Hardware will miss Mr Jack very much. We normally had the pleasure of seeing him at least once a day, often more. His amazing handwriting fascinated me for years, we will miss his warm smile and chuckles as we talked. We will miss seeing him and his little challenges he gave us at times with what he needed to do. Wonderful man we will have fond memories of forever.

“ I remember Mr Jack tearing down his engine and overhauling it by himself in his carport.
How he'd just smile quietly while Loretta was high energy all the time...
His deep devotion to the Lord, and to his family. He loved his kids with a quiet devotion... and he'd just roll his eyes at me!
Such a fine fine gentle man.
