“ We have no words to truly express what you are going through right now. Saying goodbye to a precious baby is something no one ever wants to do, yet this is the path you've been given. We know how deeply you loved sweet Jake and how excited you were to welcome him into your family of three. Now, your journey looks different. Little Jake will forever hold a special place in your hearts that nothing can replace. You will miss him deeply and love him fiercely, always. Our hearts ache with yours. It is our prayer that you find comfort, peace, and courage in the days ahead that only God can give. Jake is deeply loved—and so are you.

Bapaw will see you in just a few years. Cant wait❤️

“ *Little Precious Jake. We were so looking forward to a lot of making memories together. Our hearts will always hold you close and love you, cherish you. I always told your daddy when he was little, that the shoulder blades on his back were his angel wings. God clipped them so Daddy could come live with us. You my precious one used yours as you went into Jesus arms. Jesus is holding you ever so closely, for He loves you little one. We will take care of momma, daddy and Korbin for you and hold them extra tight for you. We love you so very much and our arms will be empty...until we finally meet in Heaven. We will see you one day!
