“ He was just so kind- especially with kids! He would drive the van to pick up my kids for Bible school each summer and the kids looked forward to him picking them up as much as they did the fun of VBS.

“ Jim was a great man and was a wonderful family man. His family was his life. When I bought land for my forever home I purchased it from Jim and Maddie. Jim was truly a wonderful person and will be sadly missed. I pray God gives his family and love one's peace and comfort through this difficult time.
