“ I'm so sorry to hear of James passing. I got the chance to meet him when he began work at Acklen station post office. I am a carrier there. I enjoyed talking with him and spoke with him about his motorcycle whenever he chose to ride it in. Being a life long motorcyclist myself it was a great way to say hello. We ( the other carriers), gave him encouragement when he decided to become a carrier. He really seemed to appreciate our advice. Once again I'm sorry to see him go. I pray for God to give his family comfort and strength during this difficult time.
