“ Brenda , Michelle, Jean, Ronnie and the rest of the family. I can not tell you how sorry I am to hear about Hootie's death. He was a dear friend to me and my entire family. I remember all the times he came over and talked to me and Mama when we were in Centerville. She thought the world of him also. I remember all the ball games and his ready smile. I could go on and on but I know that no words can really help the loss you are feeling now. I do hope that knowing how much he was loved by his friends helps in some way. May God give you the peace that passes all understanding. You are in my thoughts and prayers.
