“ *Lynn and Joann, my condolences to you and your family on the passing of James. I know that it is hard to bear right now, but remember that death is only the end of the physical life and the beginning of an eternal life. May the love and prayers of family and friends ease you through this difficult time.*

I remember many years ago when he came to Michigan and lived with us, I was just a kid but he was so fun to have around we had some good times together. He will be missed by all who knew him. Sorry I can't be there with you but you all are in my thoughts and prayers. I love and miss you all.
