“ My husband, Daniel, fondly remembered Mr. Haley teaching at Garrett and coaching basketball and softball. Although I was never in his classroom, I respected and admired him as a person and teacher. He was always the same no matter where you saw him. It is hard to imagine Hohenwald without him. Praying God's peace and comfort for his family and friends.

“ I was on the annual staff in 1979. Mr. Haley was our advisor. It was a joy to work with him. He let us do it the way we wanted to, but he was always there to offer guidance and keep us pointed in the right direction. He took great pride in all the years that he had been in charge of the annual, and was very proud of it. You are all in our thoughts and prayers at this difficult time.
