“ I always liked and admired Dale and Don but have seen neither in decades. Regardless, I am deeply saddened to learn of Dale's passing. I still vividly remember him stopping by my house on S. Court Street in 1968 to look at my Austin Healey. He thoroughly inspected my car, asked many questions, and then one week later he stopped by again to show me his new Triumph. Ahhh, youth.

I vividly remember Dale and Pittman as they roomed across the hall at F-HC in 1961-62. They made a lasting impression for good on me. Called him about 5 years ago and he said, "I was just thinking about you." So glad I called and disappointed I didn't get down his way for a visit. I can easily imagine how a visit with him would have gone and trust it will happen yet.

“ For genealogical purposes the name "Besty" listed as a niece should be spelled "Betsy."
Thanks, Don
