“ I didn't know Jimmy, but I adore Melissa. She has always spoken so fondly of him. If she was with him, I know he must have been one heck of a guy. I'm sorry I didn't get to know him personally. My heart is broken for the family and friends who knew him so well. ~Mary Frances

“ He was the best AMVETS dance partner I ever had, although he would never spin over his head. We've had a big time in several different scenarios. Of course, we've settled down in the last few years. He was a good man. I love him and will miss knowing he's around.
Love y'all,
