“ May you have comfort in knowing your loved one was a believer. When a person is called home to unite with those who left before, it just has to be the most wonderful thing. You will feel that moment when Jimmy enters into heaven as there will be a sign to each. Everyone who loved him has their own special memories that is different than others. Be thankful for those times you can think about and feel peace. Jimmy's memory will be with you as long as you live.. Isn't that a wonderful gift that God has gave us. Prayers and sympathy, Fran (Dellis) Stogsdill
