“ *My uncle Bodie was a man like no other. He had a heart bigger then most knew. As you can see in this picture he loved his animals, now he is with all of his animals and all of his loved ones that past. I know Granny is happy to see Bodie I know they are just holding each other in a everlasting hug. I would like to think Bodie is laying in a beautiful grassy field in heaven and laying next to him is Rosie (his horse) and all the animals he loved and cared for. I love you uncle Bodie, I'm going to miss you so so much. I'm not going to say good-bye, I'm going to say.... I love you, and I'll see you later... God Bless....*
