“ I am so sorry for your loss. I remember Jamie from church with Mike and April. I also had the pleasure of seeing her again at her sisters baby showers. She will be missed and she is definitely gone far to soon. Her family meant a lot to her. I pray you all have peace in knowing she loved you all!

“ *This picture was taken back in April.. Our kiddos were versing each other in soccer. And we sat and talked about everything under the sun.. mostly about the kids! The kids played so well together. We had talked about hanging out more often but she was unsure about the process of her treatment.. one of the many things we talked about that day. But with the hustle and bustle of life we only chatted through FB! I will miss my twin forever and always! Love you Jamie I will always remember the endless talks back when we were in high school! I will continue to pray for you, your family and especially your kids!*
