“ Dana, I'm thinking of you and Trey and the boys at this time and have you in my prayers. I remember meeting Jane for the first time when you took me to visit. She was so sweet and kind and treated me like another daughter. May your memories of good times sustain you during this difficult time

“ Dana, Trey and the grandsons I want to say how sorry I am for the loss of your mother. I worked with this wonderful lady for several years in the office at Levi Strauss. She always had a smile on her face and was always ready to help anyone that needed it. I won't ever forget the trips the office girls would take to the mountains at Christmas time. We shared a lot of laughs.

“ Jane was so pretty and always kind to everyone. She loved family, friends and her faith. She had that beautiful sweet smile to the end. A smile that twinkled in her blue eyes and traveled down her face until it lit up the room. Don completed her. Dana, she was so proud of you and your family. She is missed already.
