“ Jane was my cousin. There were a couple of decades difference in our ages and although I only spent a small portion of time in her company, mostly at family reunions & church services, she left a lasting impression on me. To be so kind & thoughtful was simply in Jane's nature. Her eyes always twinkled, accompanied with a genuine smile. Its difficult to lose someone we love, particularly if they're as special as she was. Rest peacefully, Jane.

“ I met Jane at a high school basketball game. I sat next to her and after visiting with her during the game, I felt like we were old friends. She was a delightful lady. We sat together at games throughout the remainder of the season. I did not see her as often this past year, but I didn't forget her. I was shocked and saddened to see her obituary. My condolences to her family.

“ I have known Jane Barber McCoy since we began 1st grade at Coble School in 1956. She was always so sweet and encouraging to me. When I saw her again on October 1-2, 2016, when we attended the 50th Class Reunion for the class of '66, she was the same way. She greeted me, introduced me around, told me about all the hometown happenings. I figure that when I get to heaven, Jane is going to be one of the first to greet me and make me feel welcome. I am privileged to call her a lifelong friend!

“ *Jane was more than family, she was the true definition of a Christian friend. For many years when my sisters and I worked, if Mama had a Dr. appointment in Nashville, she would take her. Mama enjoyed being with Jane so much. She would tell us about them stopping to get lunch somewhere. I don't know if Jane knew how much we appreciated and loved her.*

“ I rode the school bus with Jane for years. She was one of the kindest people I've ever met. Our grandsons played baseball together, so we got reconnected about 3 years ago. She was still the same Jane I remembered, RIP sweet Jane ❤️
