“Words cannot express what a beautiful, loving sweet lady, loved my childhood growing up at your house and your children at ours, it was never a dull moment, Love you sweet angel, rest in peace and we will meet again, Daugman, Michelle, Frankie, and all the rest of the family, you all are in my thoughts n prayers, may the Lord comfort your hearts 💕💕

“Missing my late night talks with my beautiful friend already. Neither one of us slept very well so we'd have the best talks, sometimes for 2-3 hours, about pretty much anything. She was such a beautiful soul and proof of that will always shine through in the family that she loved SO MUCH! Her children, grandchildren, and great grandchildren were her pride and joy and she spoke of them often, bragging on them, their wonderful hearts and amazing accomplishments, like the proud matriarch of the family that she was. I will carry you & your memory with me forever my beautiful friend. I know that we will still see each other one day, until then I pray that your soul is resting in paradise with your loved ones that went before you.
