I took an art class under Jan and I have often thought about her. I had been unable to locate her and now I've found her. My prayers, although late, goes out to her family.

“ *Jan will forever have a special place in my heart. She was someone to be admired. She had endless talents and loved the Lord. One of my favorite rememberances is she taught my children how to study the Bible at a very young age at FBC. For that I am very thankful. My prayers are with you. Sherrie Curfman Anderson*
