“ *Janice was a wonderful, unique lady who always had a smile on her face and never met a stranger. She was a huge part of my life for 26 years. We talked almost daily. This past week has been so hard not being able to just pick up the phone and call her and talk to her about news stories, my children, her life....  
The world was a brighter place with her in it, that's for sure. She will be greatly missed by a great many people.*

“*Janice supported our family in so many ways. She went to countless games, concerts, did anything for our sons. Janice's love of animals was apparent in all that she did from their own dogs, to neighbors animals to stray ones. We are going to miss Janice for she was a lovely and sweet friend.*”
