“ We were blessed with great uncles and Curly was certainly one of them. We had a great time meeting his 'southern' family when we visited him in Tennessee earlier this year. Couldn't have been more welcomed. We miss him but always remember him. He gave us many great memories.

“ I am so terribly sorry to hear that Uncle Curly has passed away. I have so many memories of him starting as a little girl when he used to do clown tricks to when I was older and he would offer me homemade Moonshine. I will always miss him. I'm sending my love, hugs to all of you. Candy I'm sending you extra, extra hugs my dear cousin. Love you much!
