“ Jeff was one of the first people I met in Wrigley and we always sat close to each other in Miss Short's English class. He was always making me either laugh or mad with his teasing. I'm so thankful we reconnected on Facebook and got to actually enjoy adult conversations. He was a GREAT person. I loved him and send my love and prayers to Debbie and Mrs. Martha...beautiful people inside and out!

Jeff was a good friend and great story teller, and BBQ connoisseur. I was always impressed with his wealth of knowledge of so many folks, through so many friendships. Always a friend, never too busy to talk. I know he loved his family and his friends very much. I will miss his friendship and will continue to share his stories the best I can. My thoughts and prayers are with everyone who knew him during this tough time.

Jeff sat right behind me in Mrs. Short's English class at East Elementary. He was a great friend who had a great sense of humor. So sorry to hear of his passing.
