“ Jerry helped me and my son Mike when we were very much in need; with out his help I do not know how we would have survived. Jerry was always kind to me; even when I was back slidden and not a very nice person. Jerry Andrews was truly a GREAT MAN. By :Kenyon Tierney

“ He always made u laugh till u hurt and cry at the same time. He was a friend and at times kinda like a father to some of us that need one. He will be missed. We all loved him he once told me he wanted to live long enough to see my daughter have kids and I'm so thankful that he got to see that. I went down past his store this morning on my way to work and I see his truck parked at his house and all I can do is cry. I loved him and his wife they are and were like parents to me. I love y'all so much. Brenda if there is anything u need let me know. Love u

“ My family has known Jerry for 30 years he and my late husband both worked at Monsanto. I first met him while fishing with my husband and oldest son at a Monsanto lake and our lives have been somewhat intertwined ever since that day. He later moved to our neighborhood and opened Andrews Circle 6-and that is when I met Miss Brenda-my family has been in and out of that store so many times -each time any of us went in it was always"looks like a McKnight to me" was his "howdy". Always a smile and asking how you were doing. We are all just heartbroken and our love and prayers to Miss Brenda and family.

“ I do remember being in there and if he was making a child a ice cream cone you just better wait because he made that child feel like they were the most important person in the world!
