“ He was a great inspiration to me when I was growing up, loved hearing his old baseball stories cause most of the time he would be very serious and get right down to the play.
He was a very big part of my daughter childhood hold life we will always cherish our memories and keep his spirit alive

“ *Betty,*

As I read today's paper, I sure am saddened with your loss. I remember the good school days in Hohenwald and remembering Jerry's life I think as a football player. Any Way, you and your Family are in my thoughts and prayers.
