“ Jerry used to come in my mom's cafe several years ago, where I worked as a waitress & furthering my education. When Jerry found out I was going back to school & taking drafting, he gave me a small drawing board with a T-Square that he once used. This was back in the late 70's. Thank you Jerry, I still use that drawing board, I do pencil art. RIP Jerry, my prayers are with you & your family.
