“ *My Uncle Jimmy was the kindest man I have ever know. He would help you anyway he could. We loved to joke around and laugh. I have so many good memories of him and will miss his sweet smile and laughter. This world will never be the same without him.*

“ *He was a great guy who lived next to my son and my daughter-in-law. He helped them out so much mowing their lawn when my son was in the hospital, power washed their driveway, and shoveled snow in their driveway. He would have given the shirt off of his back. He will be missed.*

“ I met Jim three months ago at work. We talked every day . I will miss our chats We have the same humor and laughed all the time . He definitely was a very kind and funny person. Always talking about moving n getting new furniture at Big Lots . He talked about his sister doing the misfit island theme for Christmas and how he was excited to be near them My heart definitely hurts that never came to be . Will be thinking of you and your family.

“ My brother was an amazing man with a heart of gold and a smile brighter than the stars. He loved his family and friends with his whole heart. His laughter would fill the room with happiness. He was giving not only of his love but anything you may need. He always told me the best jokes and we would laugh until my side ached. His life was a blessing to all that knew him. I will forever treasure him and the memories we made together.

Rita, I am so sorry for your loss. Jimmy was such a kind soul. I loved it when you all would come to visit and Jimmy was such a prankster. Remember him coming down the slide into the pool on top of an air filled dragon! LOL that was soo funny when he hit the water and he went one way and the dragon went the other. Aww I have such fond memories of him. Sending hugs and prayers to you and your family.

“ My Uncle Jimmy had a very charismatic personality. He was a man of integrity, honor and truthfulness. When I started my life over all on my own I had very little. A bag of towels for a pillow a beach blanket for my shower and my blanket and a pizza box as a plate. He got in touch with me to let me know he had some things to help me out. Along with stuff to cook an actual meal with he gave me a pillow and a blanket, 2 plates & some silverware, a tv & a vacuum. Now I didn't have to make sure my towel was dry before I went to bed and the pizza box went directly in the trash. I could finally clean the place up with the cleaning towels and vacuum the carpet and the tv took my mind off of the many things that were ahead of me all this really made it feel like home. Although after 5 years I have donated most of these items to people in need. I still have the 2 plates and the vacuum is still going strong. Jimmy was the kind of person that if he saw you were trying to do your best but falling short he would pick you up and give to you what you needed most along with some good advice and encourage you to keep trying because he had faith that you would succeed.

“ Our neighborhood will never be the same. Jim brought a kindness rarely seen these days. We have spent many many nights over the past decade talking about fishing and how his yard makes everyone else's yard look bad lol. He will be greatly missed.
