“ *You will always be remembered by me as a little boy. I am so sad you have left this world. You will be missed by so many. I believe in my heart, when you entered the gates to Heaven you were greeted with open arms from your Dad, David and Jenny. When I think of that I smile. May you find the peace you so desperately searched for, the same peace so many look for. We will meet again one day. Suffer no more my friend.*

“ Aunt Dene, Vicki, Biff, Malada, Cindy and Reese and all of the family ? my heart grieves for all of you. I wish I could be there to be with you all though I know there is nothing that can bring much comfort in this time that is so incredibly difficult. I love you all and hope that I can soon see you during a different occasion ? we can talk about some memories and I?ll give you all a huge hug. Just know that you have big ones waiting from me and Earl. I?ll never forget the time that Steve first showed us his place and how proud he was ? I agreed with him that the view alone was worth more than a million dollars ! Steve, I am certain is walking down a sunny country road (much like those in Lawrence and Lewis County we walked down as kids) with a smile on his face, a guitar in his hands and he is certainly not alone. I?m sure he is sharing some stories with his ol? ?Uncs? and surrounded by many loved ones. What I wouldn?t give to have an opportunity to give him another hug and let him know how much he was loved. Love, Your Cuz ? Dee Dee (and Earl)

“ Aunt Dene, Vicki, Biff, Malada, Cindy, Reese and family, my heart grieves for you also. I miss you all and wish that I could be there to try to comfort you in some way. I know that what I write here can in no way heal all of the hurt that you're feeling right now but please know that you are in my thoughts and prayers. I went to the Bible and some close friends tonight seeking some comfort. John 14:18 gave it to me in "I will not leave you alone. I will come to you." I pray that Jesus will carry you all in the palm of his hand today. I appreciated the other tributes. Dee Dee's really struck a chord with my heart. I think especially of the times that Steve, John, Reese, & I would load up in John's truck to go swimmin' at the Hootner Hole. I will also treasure the times of getting to see him play guitar. It was especially great when he was with Biff &/or Reese. I too believe that he is "walking in the sunshine" and was welcomed by a host of loved ones. I hope that we can be together soon under better circumstances. God bless you and keep you. Love, Tracy
