

John Howard Beard

October 23, 1970 - June 15, 2020

John Howard Beard passed away peacefully at his home in Germantown, Tennessee after a long battle with cancer.

John fought the good fight, finished the race, kept the faith, and is now reaping his reward in Heaven.

He is married to his beloved wife Lezlee (Dabbs) Beard of almost 19 years and they have one son, Hudson Cotton Beard, who is 15 years old.

John grew up attending Beaverdam Springs Church of Christ in Centerville, Tennessee where he wrote in his journal about having such great childhood memories and Sundays were all about church, family, and food at his Grandma Talley's house. He also attended Gordonsburg Church of Christ in Hohenwald on Wednesday and Sunday nights before moving to Knoxville to attend graduate school. While in Knoxville he was a faithful member of Ault Road Church of Christ, then West Valley Church of Christ where he made many lifelong friends.

Southside Church of Christ was his and his family's church home for six years where they were loved and cared for and met many more lifelong friends.

After leaving Shelbyville and moving to Valparaiso, Indiana for John's work

with MonosolRX they attended church at Vale Church of Christ.

The family moved back to their beloved Tennessee where John worked as a Manufacturing Engineer II in Product Trauma for Smith and Nephew. When first moving to Germantown he lived with Sequoia and Herbert Henson (whom he loved very much and they took great care of him until his son finished fifth grade and Lezlee and Hudson could join him in the Memphis area.) While living with them he attended Great Oaks Church of Christ in Cordova.

After moving to Germantown, John and his family found a church home at Germantown Church of Christ. Much like Southside, the minute John and his family walked into this church family they knew they had found their place to serve, love God, and a group of Christians who love and care for each other and cared for them with such love and generosity while John fought his battle with cancer.

John graduated from Nashville Tech with an associate's degree in architecture, graduated from Austin Peay University with a bachelor's degree in Manufacturing Engineering, and furthered his college career by graduating from the University of Tennessee in Knoxville with a Masters in Textile Science and Non-Woven Polymers.

John put God first, his family and friends second, and everything else after that. He was loved for his kind smile, his goofy sense of humor, the way he never met a stranger and treated everyone with love and respect. He loved the outdoors and enjoyed riding bicycles with his son and nephews, fishing, canoeing, and taking his niece on special outings.

He shared a love of cars and they were discussed often with his "little" brother Trysten Sherwood along with their faith in God. He and his "big" brother Chris Bobo loved UT football and talked about football, music, and their shared faith

in God.

In addition to his wife and son, he is survived by his parents Gary and Norma (Talley) Beard, a sister Shelia (Keith) Plunkett, Aunt Lucille Talley, Aunt Orpha Easley, Uncle Howard (Christine) Talley.

Mother-in-law Linda Cotton (Jerry) Basinger and Father-in-law Larry (Janice) Dabbs. Brother-in-law Lincoln (Tiffany) Dabbs, Brother-in-law Lantz Dabbs, nephews Neison Dabbs, Avery Dabbs, Cooper Dabbs, Macartney Dabbs, Knox Dabbs, and niece Emery Dabbs.

He is also survived by many loving cousins.

He is preceded in death by his grandparents Uel B. and Lillie (Canady) Beard and Britt and Alice Mae Talley. As well as, grandparents-in-law Allton Lee and Bernice Virginia (Peevyhouse) Dabbs and Marvin Eunice and Martha Vera (Dunn) Cotton. As well as Uncle Rex Talley, Uncle Paul Talley, Uncle Monroe Talley, and Aunt Opal (Talley) Whittle.

If anyone would like to give a donation in memory of John, his favorite charities he donated to were the church of Christ Disaster Relief Fund, and St. Jude's Children's Hospital.

There is also an education fund set up for Hudson and any donation can be made at any Regions Bank referencing account #5267.

“ John and I worked together but more than that we became friends. We just got caught up a few months ago as he would always text me or call every so often. So glad he did as I got to tell me how much I miss him. He talked about trying to get up to Valpo for a visit, told him I would have him any time. John you will always have a piece my heart, you are one of the best men I have had the pleasure to know in my life. Tell Jesus hey for us. God speed my friend.

“ It seems so surreal to be writing this. John was one of the faithful attendees of our Fellowship group at S&N and he will be missed severely. No matter what life threw at him, his faith in God was strong and visible. I can say that he was a great inspiration for me and many others. My prayers are for his family that they may be comforted in knowing that John is with his savior and no longer in pain. John 14:3 says, “And if I go and prepare a place for you, I will come again and will take you to be with me that where I am, you may be also” John is with the Lord now. Well done good and faithful servant!

“ John was a key member of our team at Smith & Nephew. In our company, we promote a culture of care, courage, and collaboration. I honestly cannot think of anyone who has better exemplified those values than John Beard. He faced his physical challenges with courage, and he genuinely cared for his team members and co-workers . . . that was evident in the way he interacted with everyone. We will certainly miss John’s contributions, the inspiration that he brought to us, his positive and upbeat attitude (despite the circumstances), and his compassion for others. He was highly respected, and he set an awesome example for us to follow going forward.

When I think of John in the days to come, I will always be reminded of 2 Timothy 4:7-8:

I have fought the good fight, I have finished the race, I have kept the faith. Now there is in store for me the crown of righteousness, which the Lord, the righteous Judge, will award to me on that day—and not only to me, but also to all who have longed for his appearing.

My prayers will continue for John’s family. And I’m certain that John’s big smile has made Heaven just a little bit brighter!

The loss of a child leaves a hole in your heart that will never be filled. God gives us our children and it gives us peace to know that our children will always be with our Heavenly Father. John is at home.*

“Loved John dearly. Met him when he was at The University of Tennessee getting his Master’s. Worked with me in the Dean’s Office in the College of Communications. He was close friends with my sister, Teresa Crabtree who worked in the College of Human Ecology for years. She and John and Lezlee continued to be friends since his UT days. No more pain and suffering! He’s with God now and resting in a peaceful place in Heaven.

“John was all of the things mentioned in the obituary, and more. His good spirit and curiosity for all things made him a joy to be around. He encouraged me and our whole Southside family during those wonderful years he was in Shelbyville. His passing hurts, it is not fair, and by every standard I know, it was too soon.

John has not lost, he won! His victory is assured by God's Grace in Jesus. Lezlee & Hudson and all the rest of us have a deep sense of loss, but it is tempered by John's victory. It is only God's grace in Christ that brings any understanding to the death of those we love. John my friend, you were an encourager and Christian in every since of the word. You will not be forgotten. The good you did as a disciple of Jesus will reap much good far into the future. May the God of all grace comfort the Beard family and all those who loved John Beard.

He was my co-worker, advice giver, joke teller, friend and role model. Could there be a better father or husband, no way.
