“ I am very late w/this condolence and apologize for that. Have known JW since I was in HS and he was just a youngster. Knew his first wife --went to Church with them for about a yr. when I first returned to TN after being gone for many years. Do not know his current spouse; but certainly send my prayers & condolences to her and the rest of his family. JW was a good man and a Christian. He will be missed by all of his friends. May God be with his family during this sad time. AWA
