“ What wonderful neighbors the Keene's were when we lived on Metal Ford Road from 2004 until 2012 when my Dave passed. Paul would talk to anyone about anything. He enjoyed his "farm" working on anything from cars to tractors and when driving his tractor he would be grinning his smile like he was "King of his land", they had a huge garden every year and shared its bounty with so many families. He will be missed. Thoughts of sympathy for all his family. May knowing he is at peace with our Heavenly Father make your loss bearable. Sharon Stingley former neighbor.
