“ John, I enjoyed the skateboarding and nunchucks. I remember many memories, even the song, ( only the good die young). we grew up together being great neighbors, getting into mischief together. and when we grew up and finally getting married, having our families together, having picnics , hanging out at the house playing pictionary and cards,, and the Christmas you and Terri had at our house. those were fun times that will never be forgotten. RIP my friend Mike Rose

“ *I remember how gracious he and Terrie were to let us stay at their place in Hohenwald when my family first moved there until we found our own place. They also did that in Florida. We always had great times together and John was such a great friend and loved his family. Rest in peace, John. My thoughts and prayers continue to be with the family.*
