“ My fondest memory is when I was a little girl and got a spanking, he come and picked me up and hugged me. He always had a heart of gold, my sweet Johnny. I love you and there will always be an empty spot in my heart.

“ Johnny could always find something to laugh about and truly was a person who owed his faults and short comings in life. He always said "anybody can cuss me or mistreat me but I can't stand it when someone is mistreating old people or little kids." He was like each one of us with faults but he did have a soft heart!! May your soul rest in peace!!!
