June 30, 1984 - June 19, 2013

Jonathon Keith Walker, age 28, passed away at Maury Regional Medical Center on June 19th, from complications of pneumonia. His mother and Aunt Lisa were by his side.

Jonathon is survived by his parents John Aarons and Lawanda Walker of Hohenwald, his Aunt Lisa Young and Great Grandmother Wanda Walker of Oklahoma. There are many aunts, uncles and cousins scattered from Virginia to Washington. Jonathon was also fortunate enough to have many of adopted aunts and uncles. He too was loved and will be sadly missed by his doggie sisters Lilly and Sugar Baby.

Jonathon was a special young man. His life far exceeded the 8 months that he was given to live. He lived in a house that only knew love and happiness for him. His physical and mental abilities never allowed him to understand anything but love. His parents dedicated their whole lives to his care. He was a wonderful person that touched many people throughout his almost 29 years.

He loved Harry Potter, C. S. Lewis, Goldilocks, The Three Bears and Winnie the Pooh stories, Cool Whip and Mashed Potatoes. He had a amazing laugh, gorgeous curly brown hair and beautiful green eyes that warmed the hearts of all who knew him.

His family is having a Memorial Birthday Party for him at New Hope Baptist Church on June 30, 2013 at 2:00 PM. Everyone that knew, loved and cared for this amazing person is invited to attend. There will be a service followed by a birthday party celebrating his first birthday in Heaven.

In lieu of flowers his family request that donations be sent to St. Jude Children's Hospital in Memphis,.
