“ *Coach Brown was my basketball coach in 8th grade at HCMS. He made a big impression and became one of my favorite teachers because of his fairness and encouragement. There was also never a time when he would see me & my youngest in town that he failed to speak to me & mine and share a quick story. My youngest will also remember him because of the lasting impression he could make with so many. He will be missed very much.*

“ He taught me Driver's Ed my Jr year at HCHS, '67-'68 I had to parallel park in a parking lot on the opposite corner from the Methodist Church. There were no apartments there then. I was in band and on several occasions we talked about him playing trumpet when he was in the military. I think it was the Air Force. Saw him about every time I went to the Senior Center. What a nice man he was. The first thing needed to be a good teacher is a love of children and JB had that. His absence will be felt. Shared sadness and thankful remembrances!
