“ *Joseph Russell, you were always my best friend through grade school and high school! We made so many memories together, somehow even syncing down to the day, close to the hour, of our boys being born. I've yet to shake this horrible feeling of knowing we will never talk again or see each other again in this life, but I hold it close that we will see each other again in Heaven. Keep everyone up there straight..I know that's hard. I will always love you!!*
