“ Never thought I'd be here writing a memory about you! We are broken Jojo! The family is lost right now. Looking back on our times is hard. They are filled with love laughter and great times! Sad ones and mad ones that now are funny. I felt I gained a brother when josh brought me to meet you for the first time. There was no josh without you and no you without josh. It was a package deal. Your was also a great uncle to my kids. Many years we spent almost everyday together talking when josh wasn't around and even when he was. Drinking beer and listening to music and eating McDonald's cookies by the dozens and guzzling frozen coffee in the mornings. Riding avah to the park and lakes all summer long. All the crazy stuff we got into our little stupid fights lol. I'm so sorry I couldn't be there for you in your worst times how you was with me and avah. We love you Joseph and will always miss your silly shenanigans!!!
