“ Omg. I just found this out. Josh was my friend. He went an extra mile for me many times he was my go to person. He would always say "anything for you darling". I will surely miss him

“ *To the Maxwell family! I am grieving with you. Josh had the kindest most pure soul that I have ever known. He lifted everyone up when they were down. I'm so proud of him. He touched so many lives. The way he took care of Loti. And his dog Jake. And his love for Spike. My entire family is devastated over your loss. What an amazing human being you raised! Larry know he's without any pain and Hannah and Jon he loved you with all his might. Josh was my best friend for a long time. He fought so hard. He's at peace now and he would want you all to be as well. I'd do anything to talk to him one last time but I know he would say I'm okay! And where is my whole milk?! You all are the best and I will never stop thinking or praying for the family.*
