“ To the family I say how sorry I am for your loss of such a wonderful young lady to be taken away so early in life. She was such a help and good person to so many people. She is respected now and forever

“ I am sad to learn of Joyce's death. Joyce was one of the Home Health nurses who cared for my mom during her prolonged illness due to a stroke. She was in the home many times and was a consummate professional nurse. She cared for her patients with gentleness and kindness and had a very good sense of humor. I extend sympathy to her entire family and will keep you in my prayers throught this difficult time. In Christian love, Anne Archer
