“ Momma, it will be 7 months tomorrow that you left. I wasn't able to write anything for you on here then, but now I can.

We love you and miss you so very much. The day you left was the hardest day of my life. All these months later, it is still so very hard. I am trying my best to take care of everyone. We all have our good days and bad days.

Please continue to guide us and watch over us just like you did here on this Earth. Especially, those seven precious grandbabies of yours and Daddy's.

I love you Momma. . . 💜

“ Momma,
I can't believe it has been 4 months since you went to Heaven. We are doing our best down here taking care of Daddy and each other. Please keep helping and watching over us just as you did when you were physically here on Earth. We love you bunches and miss you more than you know. 💜
