“ We did not know her, but had talked with her girls at the nursing home. The same day my mother in law was brought into the Lewis Co. Nursing home; so was Mrs. Pratt. They were in the same room. They both from Michigan and was with the same Hospice Company. My mother in law; Dorothy Fockler, passed away the same day around 11:00 am. I guess that got to know each other well; getting to enter Heaven almost just within a few hours. We would like to talk to the family; the daughters, if they see this. We had not contact for them. My email is focsummertown@gmail.com or call me. 931-215-5289.....Anna Fockler..... Sorry for the lost of your mother. I think we both could agree, they are living it up now. No more suffering at all. God Bless you all.
