“ I went to school with Keith, from elementary to graduation. He was a great person. Even after we graduated, if I ever saw Keith out anywhere, he would always make a point to come up and speak to me. Keith was one of the nicest people I ever had the privilege of knowing. My thoughts and prayers go out to his wife, his children, and his parents. He will be missed by so many.

“ I have many memories with Keith that I cherish. We shared so many great times playing sports and hanging out as kids. Keith made such a positive impact on so many lives and even though he did pass away at a very young age, his life had the impact of many lives on others and for that we are blessed. Thank you Keith. I love that you were a part of my life.

“ Keith had a smile and a heart that was a light in the darkness for so many. He had a way of making everyone feel included and valued. My thoughts and prayers are with his family and friends in this, their darkest hour. May all the good memories and heartfelt words from the many lives he touched be a light for them.

“ Share a memory of Keith Ward Davidson or send condolences to the family. Keith was a kind, gentle person. We called him Keith "Bull" Davidson. Keith was an athlete during school days. A musician. I had the great privilege of being his friend. Guy and Betty Davidson are outstanding people. I always felt welcome in their home. Keith, I love you brother. Thank you for being my friend.

“ I had the privilege of working with Keith for about a year. He was the best assistant manager I ever had. He was an amazing people person and everyone loved him. He was a strong man of faith, honesty, and integrity. He valued a high moral standard, which I truly admired. He loved all his family very much and was very proud of his children. He was just a great man and a great friend. He will be missed very much. I pray that the love of Christ will comfort his family during this time of grief, and remind them of God's promise that they'll see him again.

“ Our family met Keith through youth sports. He helped coach our daughters for several years and then continued as fans of our kids for years after. He was always a wealth of information about Fairview, sports, and TN football. He talked so much of Callie and McKenzie in regards to their sports and their schooling. He had loved his family, Fairview and his friends. We will miss him dearly and it won't be the same on the sidelines without him.

“ *I first met Keith when I played softball at the Fairviews CRA. He from the first time I met him was always a good sport and kind to everyone he encountered. That never wavered in the years to come. He always kind to everyone. I can honestly say that I personally never knew of anyone that Keith had a problem with or vice versa. He had such a sweet spirit and always was so laid back the times I was around him. That's not to mention his sweet and living parents Guy and Betty who always had functions for kids at their house and we're always involved in so many different functions with so many different kids. Friends and family lost such a special person here on earth. But heaven gained a beautiful and loving soul! Praying for Cari and the kids.....as well as Betty and Guy that peace and comfort come upon your hearts!*

“ Like many other I grew up with Keith Davidson. In all my years I can say you was the best friend, kind, loving and good hearted person to ever know. You could make anyone smile and laugh and sure could talk for hours. Many memories I will never forget through all my years. It just doesn't seem real to me and I don't want to say good bye. It's not good bye my friend it's I love you and will see you again on the other side. You always had a saying "The past is history the future is a mystery the present is a blessing" it's rings so true cause today is a blessing each day we can't rewind and tomorrow is a mystery as we never know when God will say it's time to come home. Cherish every moment. 😭

*Keith Ward Davidson was one of the finest individuals who ever walked the face of this earth. Keith never knew a stranger and he had a heart that knew no boundaries. Keith was the kind of guy that was always there if you were in a time of need. He was a true "pal."*

*If you were lucky enough to be in any parallel of Keith's universe then you already know and do not need me to tell you that your life and your spirit were blessed immensely for just being there.*

*Keith was truly a one of a kind man and I will forever be a little less "whole" in his absence.*

*Go fly high my brother. I love you and will forever miss you until we meet again. I sure hope they have sporting events in heaven Bubba, if they don't then you better get it going for my arrival!*

*I met Keith while working for a bank in West Palm Beach, FL in 2000. He was never in a bad mood and always full of stories. He was always smiling and bubbly and would put a smile on your face. Within the past couple of years, I caught up with him working at the same bank again; him in TN and I in FL. We would email each other to catch up. I just checked my FB and found a Messenger conversation from Sept 2015 when he told me that he left SunTrust to work at another bank and he would have loved to work under me! We will miss you Keith!!!*
