“ Keith was one of my favorite people on this earth. I am sure there are many others that feel exactly the same. He was a genuinely kind soul that seemed to always be looking to the bright side of things. My heart hurts for the loss of such a good person in our earthly home. My deepest and most sincere condolences to Janit and the rest of the family.

Keith was an amazing individual and extremely talented in his trade. Very helpful and friendly, he could answer any questions about food preparation, I was amazed by his knowledge. My heart goes out to his friends and family. Keith will do great things in Heaven
