“ We are so sorry for the loss of loved one. All we can do is fight a fine fight for the faith..which Kena did. Now may the Lord grant you peace that excel all thought during these very difficult days because he is the God of all comfort. Again, so sorry for your loss.

“ Spent time with Kena during Master Life Bible studies on Sunday nights. She is such a special person and I miss her greatly! She blessed so many in her sphere of influence and her witness of her love for the Lord and everyone around her. She fought a brave battle the last while but her healing is the ultimate healing! She is one I will never forget knowing. May God comfort you as you walk out the days ahead.

“ Kena was a beautiful example of Christ's love and it was her desire for others to know Him. She enjoyed studying the Bible and held many verses close to her heart. She is now rejoicing with angels and hearing "well done, my good and faithful servant!"

“ Spent some time Sunday night with a group of friends, exchanging sweet memories of Kena. She touched many lives and would have been pleased to hear the many kind words of people who cared about her. Smiles through tears as we remember our sweet friend.
