“ *The families of Mr. King are in my prayers and thoughts. He is at rest till Jesus comes again then you all w/be reunited w/him. I pray for God to wrap His loving arms around each of you, comfort, give you strength and peace these next 3 days and as you move forward. My heart especially goes out to Mrs. King as having been a caregiver spouse to my husband who passed away after lengthy illnesses, it's extremely difficult and painful.*

*Please know she is in my heart. How blessed they both were to have each other for so long and be able to share all his days. Psalms 23. God Bless you all.*
