“ Bubba, Heather ,Mrs. Swaw and other children we were saddened to learn of the sudden death of your dad and husband. I do realize how a sudden death can affect those left; however, we must realize we know not the hour. Always hold dear the memories that have been made throughout your short time with him and understand that he is now in a place we all long to enter and that is the pearly gates of Heaven We will hold your family in our prayers for the days ahead and pray that God wrap his loving arms around this entire family. With love Bill & Sandi(Heathers Grandparents)
